MESSAGE FROM THE SECRETARY:

Dear Friends,

I take great pleasure in dedicating the 33rd Annual Report of Gram-Utthan to all our stakeholders. It has been an enriching experience and incredible journey over the 31 years towards empowering the poor and marginalized communities. Our beginning was supporting the rural poor women Self Help Group for economic development and gradually, we have grown and expanded geographically and sector wise.

The year 2022-23 has been a very purposeful and impactful as we have been able to break new ground and have several achievements to our credit in expanding and deepening our interventions. The most challenging factor during the year was the impact of COVID-19 pandemic crisis. Our central team in Bhubaneswar and in the field worked relentlessly in reaching out to the poorest of the poor and the vulnerable families living in the slums of Bhubaneswar and in our operational areas with restoration and mainstreaming their livelihood activities during 2022-23.

We gratefully acknowledge the support and cooperation received from our donors, partners, blocks and districts administration. This has been also possible with the guidance from our learned and eminent governing board members, support from our professional staff and cooperation from our development partners and most importantly our communities. We aim to achieve new heights in the upcoming years by playing a strategic role as a third sector to meet the systemic challenges and constraints and making our paths democratic and participatory, leading to the social and economic empowerment of underprivileged communities and key stakeholders.

I would like to express my deep gratitude to all of you for your unwavering support to us. Your investment – financial, emotional, and intellectual – in our mission is our greatest strength. We hope to have you by our side through all what it takes to improve things for the most vulnerable in our society.

Secretary
GRAM - UTTAN
Bhubaneswar

Thank you for your valued support!

Govind Chandra Dash

ABOUT THE ORGANISATION:

Gram-Utthan which means 'Rising of Village' a non-profit, non-political, non-religious and non-government organization was established by the initiative of Mr. Govind Dash, a founder member, with a group of committed activists. GU, as a Non- Governmental Development Organization (NGDO), was registered on 9th April 1990 under Societies Registration Act XXI of 1860. Our development activities focus principally on the underprivileged populations, who have no opportunity to participate, contribute or benefit from their economies. Its aim is to therefore create an opportunity for these people to be included in a world that they have largely been left out from.

VISION AND MISSION STATEMENT:

VISION: Creation of an equitable society in which poor and disadvantaged would be able to lead a better life with dignity and securities

HIGHLIGHTS OF: 2022-23

SHG Digitization in E-SHAKTI Portal: Supported By NABARD

Dist: Jajpur

The need of digitization of records of SHGs has been felt for quite some time due to irregular and delay in maintenance of books of accounts. Transparent and proper maintenance of records of SHGs was facilitated in helping and strengthening of SHGs. It is also felt that digital empowerment that helps in bringing SHGs on a common web based e-platform by making book keeping easy for low literacy clients. Considering its importance, the NABARD supported SHG Digitalization in Odisha under E-SHAKTI Programme has been successfully implemented in 10 blocks of Jajpur district and 05 Blocks of Kendrapara District where 385 Animators were trained and engaged to bring 13618 SHGs into functional stage.

Sanitation Project supported by BPCL through HFHI:

Lack of adequate sanitation and safe water has significant negative health impacts including diarrhoea in Bolangir district. The communities clearly have an acute need for water and sanitation. The major health threats in the areas are waterborne diseases including diarrhea, cholera, Malaria, typhoid, skin diseases and headache etc. Various forms of waterborne diarrheal disease are the most prominent examples, and affect mainly children in the areas. Hence, the BPCL supported sanitation project is being implemented in Bolangir district.

Gram-Utthan constructed 1000 IHHL (Toilet) under this Improved WASH Project for the needy poor SC & ST Community in Khaprakhole, Deogaon, Muribahal & Sadar Block of Balangir District. Organised awareness programmes in all villages and sensitised the community on practice of hygienic sanitation. Being tribal dominated area all families are using toilets.

Sustainable Livelihood for women through Tailoring Skill Development Training : (Non-FC)

Supported By: Rourkela Steel Plant- Steel Authority India Limited RSP-SAIL, Rourkela, Odisha

Operational Area- Under 04 blocks In periphery of Rourkela Steel Plant

Achievements:

Gram-Utthan is being implemented this Stitching Skill Development programme among 40 disadvantaged women from the periphery area of Rourkela Steel Plant belonged to Lathikata, Kuanmunda, Nuagaon & Bishra Blocks with the technical guidance of USHA International Limited and support from RSP-SAIL. We provided free silai machine and accessories to all trainees after training of 15 days. Then they started working at home. They started earning for their livelihood.

Again we imparted 10 days' improved stitching skill training to hose 15 trainees women entrepreneurs of Kuanmunda Block. We requested CSR-RSP and discussed several times with local government line department and PRI Members along with 15 trainees of Nuagaon Block regarding establishment of Training cum Production Center (TCPC). All stakeholder and beneficiaries were agreed to set up a TCPC. It was decided that all will work under TCPC collectively. Finally, one TCPC was established and it is running well. RSP-CSR provided Rs. 50,000/- as seed money. The trainees formed an SHG named ANOKHI and linked with Ormas, Govt. of Odisha. Ormas also supported with loan and marketing of their products. The women entrepreneurs are earning good income and leading towards a sustainable income.

Life skill Education and skill development Training Program, Supported by Nomi Network (Work Force Development)

With support of Nomi Network we are working for creating economic opportunities for survivors and women at risk of human trafficking. We prevent human trafficking and are breaking generational cycles of slavery. This program is ongoing from 2nd of April, 2018 in urban slums under Bhubaneswar Municipal Corporation. We are working for women belongs to the poor family and Women in prostitution, Women at Risk, Vulnerable, Women Below Poverty line, Victims of Domestic Violence, Women in Slavery-Labor Trafficking, Debt bondage etc. Apart from Life skill education and Skill Development training program we are also implementing various social welfare activities like recruitment capacity building of Community Outreach Workers for Covid-19 awareness activities, Relief distribution to our trainees during Covid Pandemic, Happiness kit distribution to our Community Outreach Workers, organizing Health awareness programs etc.

Since program implementation we have enrolled 312 numbers of women from various communities like Laxmisagar, Jharpada, Budheswari colony, Malisahi, Masjid colony, Bharatpur, Shantipalli, Naharakanta and Old town etc.

The activities are conducted basically in Foundation Training Program basis. We are giving them training in 4 phases like:

Phase-1- In house training on Life Skill Education for 3 months which contains 70% Life Skill Education and 30% Technical Education. In Technical Education we are providing them training on Tailoring and Beautician.

Phase-2- After completion of Phase-1 we are referring the trainees to Phase-2 at JIPs for Technical Training. We are coordination with the Job Integration Partners (JIP) who is supported by the Government under DDUGKY and PMVKY schemes. Further some of the JIPs are running by the CSR and other funding agencies like NABARD etc. They are giving 80% Technical training on the respective trade and 20% of Life Skill Education. The trades available with above JIPs are Tailoring, Beautician, Computer, Healthcare, Retails and sales. The details of our partners are as below.

| Sl. No | Name of the JIP | Location | Supported by | Available trades |
